OVERVIEW FOR EDUCATORS

Similar to Calling Koko (BPBR/MPC)

Students are given the opportunity to apply their new knowledge.

No Single Correct Answer

There are different options to show there are many choices based on patient preference.

This Activity Stays in the Room

We should not encourage students to tell their peers what birth control to use.

Talk to Provider They Trust

Share resources and contact information of accessible and trustworthy educators and medical providers.

HOW TO PARTICIPATE

- (1) Use Zoom on your laptop and open a web browser on your phone.
- (2) Shrink zoom on your laptop and open a web browser next to it.
- (3) If neither option is available, you can follow along and use the chat box to make comments.
